1. INTRODUCTION

The *Privacy Act* (R.S.C., 1985, c. P-21) came into effect on July 1, 1983. It governs the collection of personal information by the federal government, restricts the use and disclosure of this information and grants individuals the right to access and correct information about them. Section 72 of the *Privacy Act* requires that the head of every government institution submit to Parliament an Annual Report on the administration of this Act within the institution during the financial year.

This Report is submitted in accordance with section 72 of the *Privacy Act*. It provides an overview of the activities the Québec Port Authority has carried out pertaining to the protection of personal information during the period from April 1, 2020, to March 31, 2021.

The Québec Port Authority is a not-for-profit shared governance organization that was created on May 1, 1999, following the adoption of the *Canada Marine Act*.

The mission of the Québec Port Authority is to promote and develop maritime trade, to serve the economic interests of the Québec area and of Canada, and to ensure the Port of Québec's profitability in a way that respects both the community and the environment. The means associated with achieving this mandate are to effectively develop and manage the Québec Port Authority's assets, create industrial activity and commercial growth, innovate in the port and transportation sectors, and preserve port heritage.

2. ORGANIZATIONAL STRUCTURE

The Corporate Secretary and Director, Compliance and Legal Affairs acts as the Access to Information and Privacy Coordinator for the Québec Port Authority and has the delegated powers to do so. (See the Delegation of powers tool enclosed in Appendix B.)

In accordance with established practices, all formal requests for access to information or to documents are sent directly to the above-mentioned person that, ensures all requests are promptly processed in accordance with the provisions of the Act. To ensure an increased level of privacy, a separate file is created for each request.

In accordance with the description of every service agreement pursuant to article 73.1 of the *Privacy Act*, Québec Port Authority did not provide any service under subsection (1) to another government institution during the period from April 1, 2020, to March 31, 2021.

3. DELEGATION ORDER

The Access to Information and Privacy Coordinator is Me Karine Hébert, Corporate Secretary and Director, Compliance and Legal Affairs. She is responsible for making decisions with respect to the enforcement of various provisions in the *Privacy Act*. (See the Delegation enclosed in Appendix B.)

The Québec Port Authority’s Statistical Report regarding the *Privacy Act* is available in Appendix A in accordance with form TBS/SCT 350-63 (Rev. 2014/03) issued by the Government of Canada.

4.1. Number of requests received

Between April 1, 2020, and March 31, 2021, the Québec Port Authority did not receive any official request.

In comparison with the previous year, i.e., the period from April 1, 2019, to March 31, 2020, when the Québec Port Authority had also not received any official requests under the *Privacy Act*.

The chart below shows the number of requests received for the years 2020-2021/1, 2019-2020, 2018-2019, 2017–2018 and 2016–2017.

4.2. Number of pages processed and disclosed

During the reference period, the number of pages that were processed and disclosed was 0. In the previous period, i.e., the period from April 1, 2020, to March 31, 2021, the number of pages that were processed and disclosed was also 0.

4.3. Exemptions and exclusions

The *Privacy Act* provides for some exemptions and exclusions under which the Québec Port Authority can or must refuse to disclose certain information.

For 2020–2021, the Québec Port Authority did not invoke any such exemptions or exclusions.

4.4. Processing time

During the reference period, i.e., the period from April 1, 2020, to March 31, 2021, there was no processing time.

4.5. Extension of the time limit

No requests for access received for the 2020–2021 period were granted an extension of the time limit.

4.6. Corrections

Paragraph 12(2)(a) of the *Privacy Act* grants every individual the right to request correction of any personal information about the individual that is held by the federal government. No corrections were requested or made in 2020–2021.

4.7. Costs

The total cost to enforce the *Privacy Act* was evaluated to be \$0.

4.8. Percentage of requests for which records were “all disclosed”, and percentage for which records were “disclosed in part

Since the Authority has not received a request under the *Privacy Act*, no percentage can be accounted for.

4.8. COVID-19 measures

With respect to the operational impact of measures to curb the spread of COVID-19 on processing requests with respect to *Access to Privacy Act*, it is important to note that since March 13, 2020, the employees of Quebec Port Authority have been working remotely with limited access to physical files. The Authority had the capacity to receive access to information and personal information requests by mail and by email. However, ATIP Staff had limited on-site access for processing physical files (for example, reviewing paper records, scanning, processing incoming and outgoing mail).

5. TRAINING AND AWARENESS, AND CAPACITY BUILDING

The Québec Port Authority remains determined to train and retain staff who have specialized skills and could continue to provide the best possible service to both internal and external clients. In this respect, the Access to Information and Privacy Coordinator has a master’s degree in law and is a member of the Barreau du Québec.

It is important to note that, each new employee hired by the Québec Port Authority, attends a meeting with the Access to Information and Privacy Coordinator to receive information about the application of the *Access to Information Act* and the *Privacy Act*.

6. POLICIES, GUIDELINES AND PROCEDURES

Each year, the Access to Information and Privacy Secretariat submits to the Treasury Board of Canada Secretariat, for the purpose of publication in Info Source, updates about the Québec Port Authority’s activities and information holdings.

In 2020–2021, the Québec Port Authority continued to revise the Info Source chapter in accordance with its activities.

6.1. Publicly accessible information and inquiry points

Info Source is a database that provides individuals and employees of the government with relevant information to access personal information about themselves held by government institutions. The purpose of Info Source is to assist individuals in accessing government information and exercising their rights under the *Access to Information Act* and the *Privacy Act*.

In December 2011, the Québec Port Authority began publishing completed requests for access to information on its website. This practice has been carried on until this reporting period. On March 17, 2015, the Québec Port Authority received an instruction to the effect that summaries of completed requests for access to information have to be published on Canada’s Open Government portal (open.canada.ca). Unfortunately, we still have not received, until this reporting period, the information and necessary access to add these requests to the portal as requested by Info Source. Given these circumstances, the Québec Port Authority continues on publishing summaries directly on its website. The Québec Port Authority will also publish the 2019–2020 Annual Report on the *Privacy Act*.

As set out in the *Privacy Act*, government institutions such as the Québec Port Authority must respond to requests from individuals, public or private organizations and others for access to information. The list includes the request number in both official languages, the number of pages transmitted and an indication of whether the pages were transmitted in whole or in part. Moreover, requests pertaining to personal or proprietary information related to a third party are not included.

Moreover, if individuals wish to obtain a copy of the documents published in response to requests submitted on the Québec Port Authority’s website, the entire procedure to follow as well as the contact information for the Access to Information and Privacy Coordinator can be found on the website.

6.2. Policy development

During the 2020–2021 reference period, the Québec Port Authority has maintained its policies and instructions on access to information and protection of personal information, in accordance with the Treasury Board of Canada Secretariat’s requirements.

7. SUMMARY OF KEY ISSUES AND ACTIONS TAKEN ON COMPLAINTS OR AUDITS

For this reporting period, no complaints were filed with the Privacy Commissioner, no applications for judicial review were filed with the Federal Court, and no appeals were filed with the Federal Court of Appeal.

Furthermore, no complaint investigations were carried out by the Office of the Privacy Commissioner or were under way for the 2020–2021 reference period.

8. MONITORING COMPLIANCE

The Corporate Secretariat, Legal Affairs and Compliance Department monitors the processing time of access to information requests. First, a file is opened for each request, and then, this request is added to a follow-up table. The progress of requests is tracked within this follow-up table. Regular emails are sent to every person that should be addressed to respond appropriately, within the prescribed deadline, to the received requests. The President and Chief Executive Officer is notified of each request received by the Access to Information and Privacy Coordinator.

9. MATERIAL PRIVACY BREACHES

A material privacy breach involves the irregular or unauthorized collection, use, disclosure, retention or disposal of sensitive personal information that could reasonably be thought to cause serious harm or injury to the person involved.

No material privacy breaches occurred during the reporting period.

10. PRIVACY IMPACT ASSESSMENTS

To achieve its mandate, the Québec Port Authority must fulfill certain responsibilities that require the collection, use and disclosure of personal information. As the guardian of this information, the Québec Port Authority uses privacy impact assessments (PIAs) as a risk management tool in accordance with the Treasury Board's policy.

The Québec Port Authority did not complete or initiate any PIAs, and therefore, no evaluations were sent to the Office of the Privacy Commissioner of Canada in the reporting period.

11. DISCLOSURES MADE PURSUANT TO PARAGRAPH 8(2)(m)

Paragraphs 8(2)(e) and (m) of the *Privacy Act* authorize the disclosure of personal information to various investigative or regulatory bodies, or to members of Parliament, or the disclosure of such information in the public interest.

The Québec Port Authority did not disclose personal information pursuant to the previously cited paragraphs, specifically paragraph 8(2)(m) of the aforementioned Act, during the 2020–2021 reference period.

12. PERSONAL INFORMATION BANKS

Over the course of 2009, the Québec Port Authority examined personal information banks collected on it, and this examination is still ongoing. Personal information banks are being restructured so that they better reflect the Québec Port Authority’s actual situation.
